RE: NEWA Partnership with SDA Church, Nyasare

Dear Brethren,

Receive much greetings from N.E.W.A in the name of Our Almighty Lord Jesus Christ!

N.E.W.A also known as Nyikwa Ezra Welfare Association is a family association that brings together all the grandchildren of the Late Ezra Onyango Nyangalo, their children, and spouses. The grandchildren are drawn from the two households of Mrs. Silper Agwa Onyango and Mrs. Leonida Ochieng.

The association has resolved to exclusively engage in the faith-based outreach programs social welfare, wealth creation, and prosperity of its members.

As an association, we have projects and programs that we implement under seven key thematic areas namely, Faith-based outreaches, leadership and governance, Education, Economic Empowerment, Social Welfare, Water, Health and Sanitation, Environment, Agribusiness, Decent Housing, Decent Housing, and Livelihoods.

We are glad to be associated with Seventh Day Adventist Church, Nyasare. In the spirit of this partnership, we have and will continue to support all your development projects, faith-based outreaches, and programs. Going forward, we shall partner with the church in various areas which we shall discuss at a later stage.

We humbly request the Church to remember NEWA always in their fellowship and prayers. We particularly request that the Church prays for the association to remain united, prioritize God's work, include God in its activities, and achieve all its missions.

We also encourage Church Members to support our mission by following us on our social media platforms.

For more information about the association, kindly visit www.newafamily.org

Regards

Elder Jephthah O. Ochanda
