Dear Sir

RE: Election as the Association's Patron

Receive greetings from Nyikwa Ezra Welfare Association hoping to find you well in health and your family despite the global pandemic of COVID-19.

During the Association's virtual meeting held on 7/4/2020, members overwhelmingly voted you to serve as their patron from 15th April 2020 Up to 15th April 2021 when the association shall hold its next AGM.

It is for this reason that we write to you this letter informing you of the Association decision to bring you onboard as its first Patron.

This position shall be regularly filled as per the Association's Constitution which we hope to provide to you soon.

Be blessed as we wait for your acceptance.
